HOW TO BOOK YOUR TRAKIA ENTRANCE EXAM

MEDCONNECT EUROPE
Connect to your potential

01.

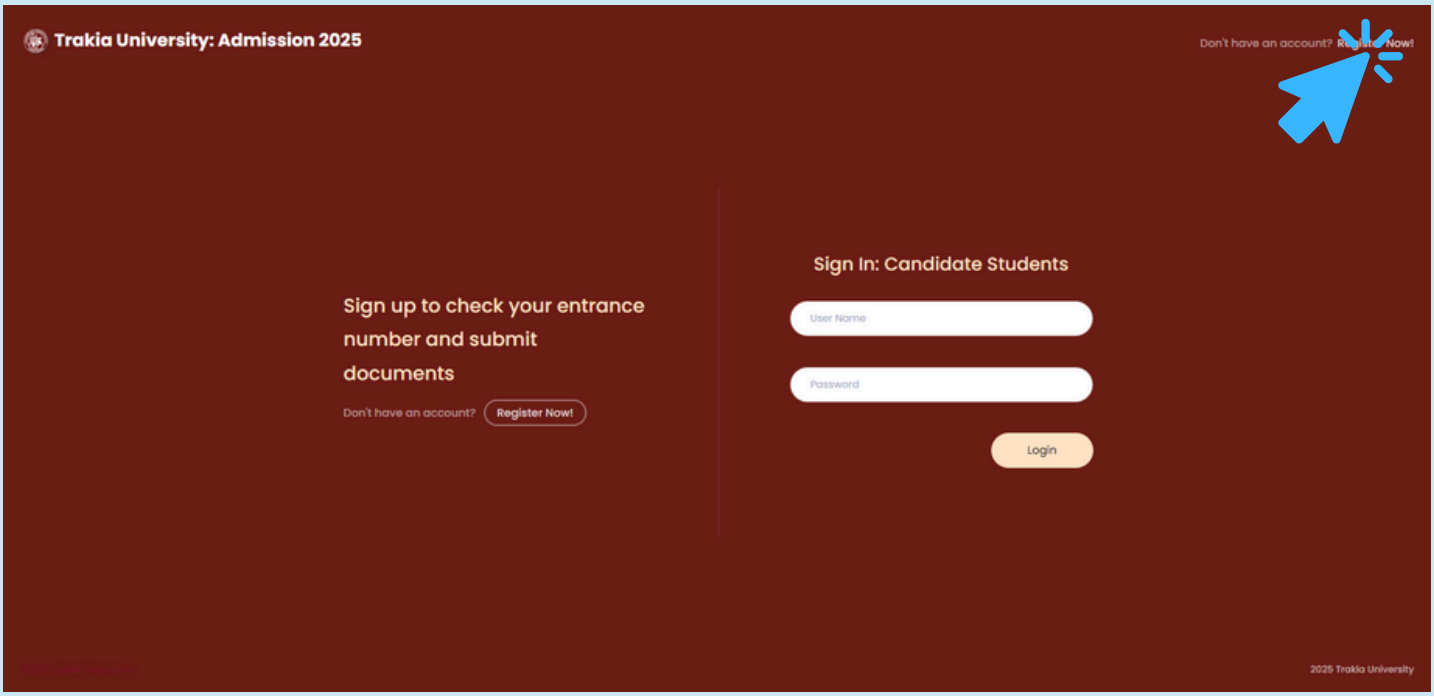
Gmail Account

Ensure you have an active Gmail account that can receive emails. A Gmail account is required to book your exam. If you do not have one, please create a Gmail account before proceeding.

02.

Create and register an account

Click on the link provided [here] to access the university registration website. Once there, click the "Register Now" button located in the top right corner to begin the registration process.



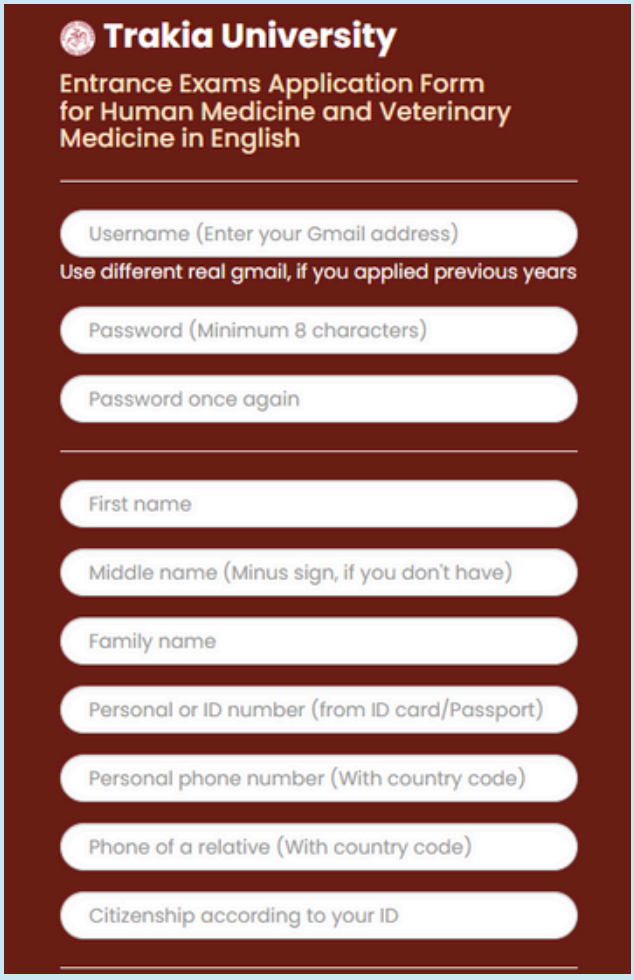
03.

Personal Data

After clicking the "Register Now" button, you will be taken to another page where you must fill in your personal data and select your exam date.

When choosing your exam date, ensure you select both Biology and Chemistry.

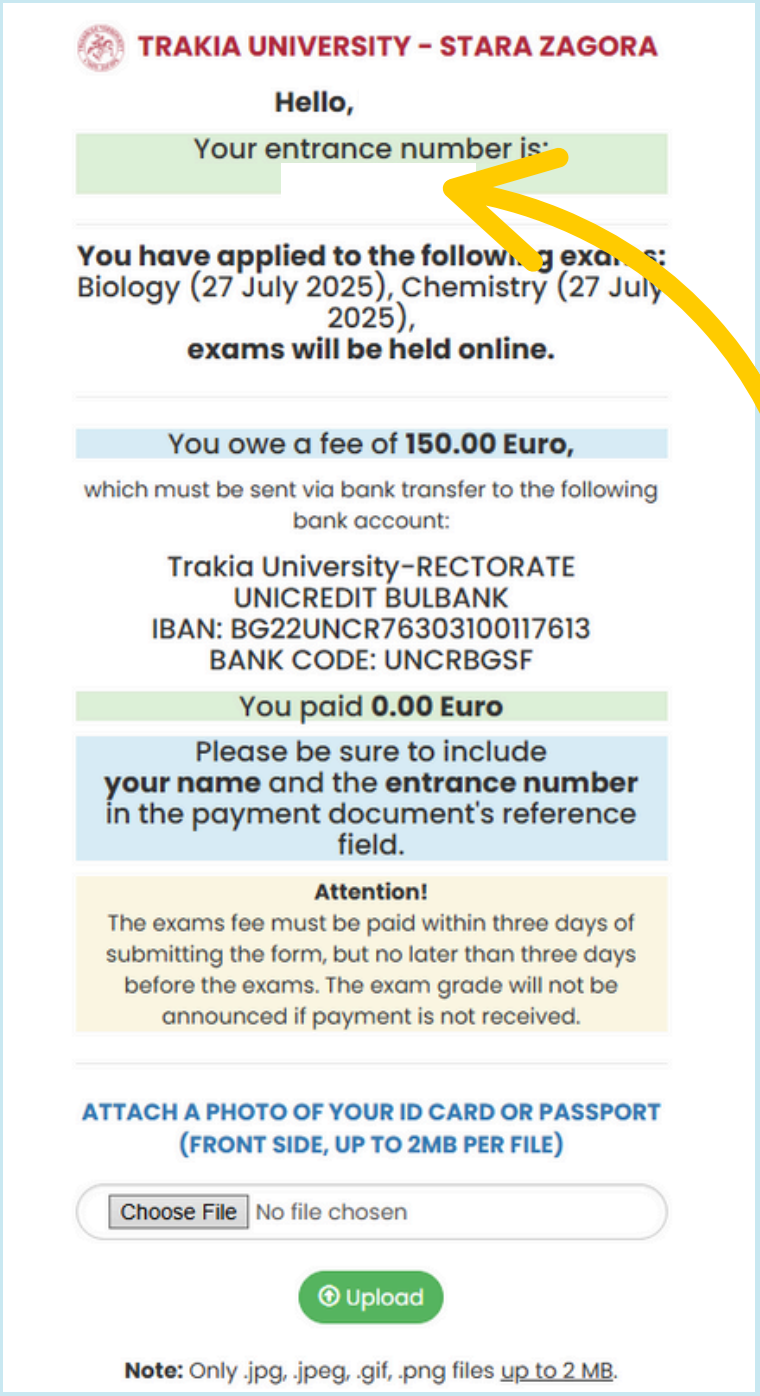
Only select the English exam if you are from a country where English is not an official language. If you are unsure whether to select the English exam, please contact your application manager for guidance.



04.

Login to your registered account

After filling in your personal data and registering your account, you will be redirected to the login page. Use the login details you just created — your Gmail account and the password set on the personal data page — to log in.

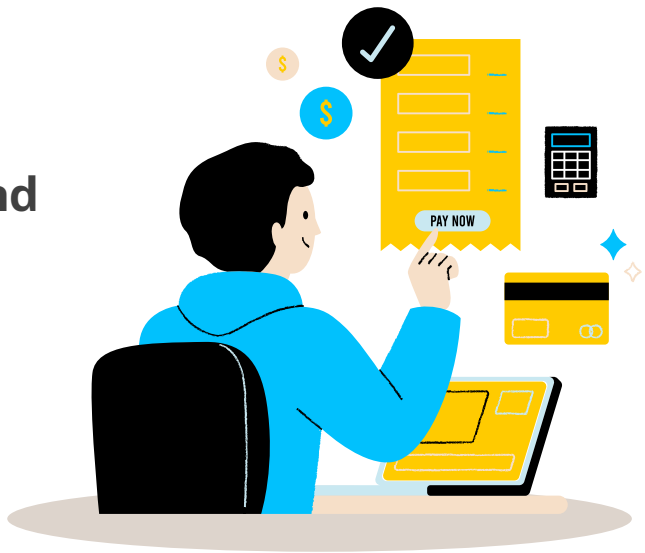


Here is your **entrance exam number**. Please keep this number safe, as you will need it later for your exam confirmation.

05.

Entrance Exam Payment and Passport Upload

Once you reach the page above, you will need to complete your exam payment and upload a copy of your passport. Please ensure that your passport copy is in JPEG or PNG format.



05.

Payment Approval and Exam Confirmation

After making your payment and uploading your passport, please complete the following [form] to confirm your selected exam date and payment.

Please ensure that you complete the form fully. Failure to complete the form will result in your exam not being fully confirmed with the university

06.

Successful Registration

Your online registration for the exam is successfully completed once you submit the from.
